To Whomsoever it may concern

This is to certify that we have been using **THEA Energy** brand **Grid tie Inverter** purchased from **M/s G P Tronics** for different projects under **WBREDA (West Bengal Renewable Energy Development Authority, Govt of West Bengal)**. These inverters were installed in WBREDA school project.

The number of installations of inverter capacity wise till date is as follows: -

SE-TH 10.0TL3 (3 phase 10kVA inverter) – 200+ nos.

Some other capacity inverters of **15kVA, 20kVA, 33kVA** were also installed under the **Aloshree project**.

We are extremely happy with the performance of the THEA Energy inverters & also with the prompt after sales service that they provide.

Thanking you.

Yours faithfully,

For AKA Logistics Pvt. Ltd.
